Recycling

The League of Women Voters of the Tiffin Area believes the city of Tiffin should offer curbside recycling as a service to city residents.

League believes that the city of Tiffin should offer bulk rubbish pick up services at least once a year at a minimum. Bulk rubbish pick up services should be ranked as a medium priority city service.

Background on Position

At the Annual Meeting in May 2014, members adopted the recycling study. An informational meeting was held February 19, 2015 and consensus questions were discussed March 19, 2015.

The position statement was adopted at the Annual Meeting, May 2015.

The League reviewed the Recycling and City Services positions in 2024 to resolve discrepancies. Updates to both positions were adopted at the 2024 Annual Meeting.
