Public Policy Positions
For Detail Information: www.lwv.org

INTERNATIONAL RELATIONS - Promote peace in an interdependent world by working cooperatively with other nations and strengthening international organizations.

United Nations - Support a strong, effective United Nations to promote international peace and security and to address the social, economic and humanitarian needs of all people.

Trade – Support U.S. trade policies that reduce trade barriers; expand international trade; and advance the achievement of humanitarian, environmental, and social goals.

U.S. Relations with Developing Countries – Promote U.S. policies that meet long-term social and economic needs of developing countries.

Arms Control – Reduce the risk of war through the support of arms control measures.

Military Policy and Defense Spending – Work to limit reliance on military force. Examine defense spending in the context of total national needs.
