

The Citizens not Politicians Amendment is a citizen initiative to end gerrymandering in Ohio. It bans lobbyists and politicians from the redistricting process, and establishes an independent redistricting commission with detailed, transparent, and controlled procedures.

If you are eager to sign the petition to put the referendum on November's ballot, come to the Tiffin-Seneca Library, Kernan Room, on Saturday, February 3rd or 10th, from 1:00 - 4:00 PM. The Kernan room is just inside the front door, at 77 Jefferson Street, Tiffin.

You may also update your Ohio voter registration at that time.
