

## **RECYCLING**

The League of Women Voters of the Tiffin Area believes the city of Tiffin should offer curbside recycling as a service to city residents.

League believes that the city of Tiffin should offer bulk pick up services at least once a year at a minimum. Bulk pick up services should be ranked as a medium priority city service.

### **Background on Position**

At the Annual in May 2014, the members adopted the recycling study. An informational meeting was held February 19, 2015, and consensus questions were discussed March 19, 2015.
